## RSIC2025 - DUBAI - Thank you for coming and gratitude to our hosts

Thank you to everyone who took part in the **57th Round Square International Conference** in Dubai and congratulations to our host schools The Indian High School Dubai, GEMS Modern Academy, and The Millennium School Dubai.

You can read about the Conference, and some early feedback [here](#). We will add to this over the coming week, so please share your thoughts, reflections (both positive and constructive for next time) and quotable comments [here](#).

We are still gathering photographs and awaiting the final cut of the RSIC2025 film. Both will be shared in the coming weeks, via a photo gallery and on Instagram under the hashtag #RSIC2025. For those who have not been following on instagram, this hashtag features loads of photos and videos shared by delegate schools, capturing some of the most memorable moments. It's well worth a look.

## A reminder: save the dates for 2026 RS Forums - registration coming soon

With 2026 fast approaching, and with thanks to our five host schools, this is a reminder to please keep holding the dates for our next round of Round Square Forums, the first of which, for schools in South Asia and the Gulf, will be hosted by Sunbeam School Lahartara, in Varanasi, in just a few weeks' time, from 21 to 23 November 2025.

The Round Square Forums are great opportunities for Heads, RS Coordinators, and other staff working to promote and coordinate Round Square themes and programming in your schools, to come together to network and share good practice.

The RS Schools' Support Directors are putting together a fantastic carousel of presentations, and many of you will be invited to share, via presentations, initiatives and activities from the past year in your own schools.

A reminder of the dates and locations for 2026:

- **Europe and the Mediterranean:** Meet at Rockport School in Northern Ireland from 23 to 25 January 2026
- **The Americas:** Meet at Holy Innocents' Episcopal School in the USA from 5 to 7 February 2026 (there will be a stand-alone RS Heroes of Discovery Workshop on 5 February, which RS Forum Participants are also welcome to join)
- **Africa:** Meet at St George's Diocesan School in Namibia from 19 to 21 February 2026 (there will be a stand-alone RS Heroes of Discovery Workshop on 19 February, which

Australasia & East Asia meet at Radford College, Canberra, Australia from 5 to 7 March 2026.

Details of participation fees, timings and arrivals/ departures will follow later this month, along with registration links.

The Round Square Heads' Symposium – 20th to 24th January 2027 – Hong Kong

## Save the dates: 20-24 Jan 27 - Hong Kong - Round Square Heads' Symposium

We are delighted to invite Heads of Round Square Schools to save the dates for the next RS Heads' Symposium, which will take place in 15 months' time, from **20 to 24 January 2027**, in Hong Kong.

With grateful thanks to Frederick Poon and his team at St Paul's Coeducational College, you are invited to plan to **arrive in Hong Kong on Wednesday 20 January 2027** in time for a late afternoon/ early evening reception at our event hotel in Causeway Bay (tbc).

On **Thursday 21st** we will be coordinating visits to some Round Square Schools in Hong Kong. We will then meet over two full days (**Friday 22 and Saturday 23 Jan 2027**) for Keynotes, Baraza breakout discussions, and good practice sharing. On the middle evening there will be a dinner cruise.

On **Sunday 24th** for those who are able to stay on for an extra day, there will be an optional Geopark Island Hopping Tour, which St Paul's has secured for us with the Hong Kong Tourist Board. This will take us on a guided sightseeing tour to Hong Kong's UNESCO Global

We are currently working with St Paul's to confirm an accommodation option at a preferential rate in the hotel where our meetings will take place. Rates and hotel booking links will be shared in the coming months, along with a registration form.

The delegate fee EXCLUDING accommodation will be in the region of £650 per person.

This event is strictly for Heads of Round Square Schools.

The Round Square Coordinators' Global Assembly - 11 to 15 April 2027 - Oxford UK

## Save the dates: 11-15 April 2027 - Oxford, UK -RS Coordinators' Assembly

We are excited to invite Round Square Coordinators/ RS Reps to hold the dates for the inaugural Round Square Coordinators' Global Assembly in 18 months' time, from **Sunday 11 April 2027 (arrival) through to Thursday 15 April 2027 (departure) : 4 nights/ 3 days.**

The event will take place at Oxford University in the UK, during the University's Easter break. We will be staying in student accommodation at the University, with meals in Halls and social events in the colleges in the evenings.

Each day will feature a programme of good practice carousels, coaching/ training, structured networking and collaboration incubation. We will be inviting you to tell us what you would like to see covered on the programme and will plan content, as far as possible,

The delegate fee INCLUDING accommodation is still tbc but likely to be £800 per person for single occupancy, and slightly less if you opt for twin. More information will follow. For now, please save the dates!

***NB: With a RS Heads' Symposium and the RS Coordinators' Global Assembly both taking place in 2027, there will be no face-to-face Round Square Forums taking place in 2027. Instead there will be a supplementary online meeting, but, wherever possible, schools are encouraged to participate in the Symposium and Assembly events. RS Forums will return in 2028.***

**Encourage students to apply - RSIS Project in India December 2025**

December 2025.

Round Square will be partnering with **Daly College**, to host a RSIS Project in Panna National Park, near the UNESCO World Heritage city of Khajuraho in Madhya Pradesh. This RSIS Project will see students working on construction of a community library and running a health/ eye camp, contributing to Daly College's long-standing partnership with local village communities.

Both the health and eye-care camps and women's hygiene drive will be led by qualified doctors who support the BAAVAN Trust, who have for many years worked with students from Daly College to meaningfully involve them in the processes of conducting medical appraisals of villagers and, in the case of the eye-care camp, prescribing spectacles.

As part of the experience, participants will be met on arrival at Delhi Airport by members of the Round Square Team, before travelling together through India as a group to the project site on the **Vande Bharat Express**, a comfortable, air-conditioned train. This extraordinary journey will provide a rare opportunity to see India's changing landscapes, whilst bonding as a team. In addition to the service components, whilst at the Project Site, students will have the opportunity to join two safari experiences in Panna Tiger reserve, and attend the famous Khajuraho temple light show.

Please share this opportunity widely with your students aged 16-18 and encourage them to apply to participate. **A RSIS Project Toolkit** for promotion with draft emails and posters is available to Round Square Coordinators via the website (login required).

Participants need to arrive into Delhi on **6 December 2026, and will be returned to the airport for departure flights booked on 18 December 2025.**

The participation fee is **£1,300.**

A small number of **Discovery Bursaries** are available to students for whom financial circumstances would otherwise prevent participation. These cover the full project fee; participants are responsible for flights to and from India.

[Apply for a Discovery Bursary here.](#)

## Pre-Order Round Square Heroes of Discovery Plushies

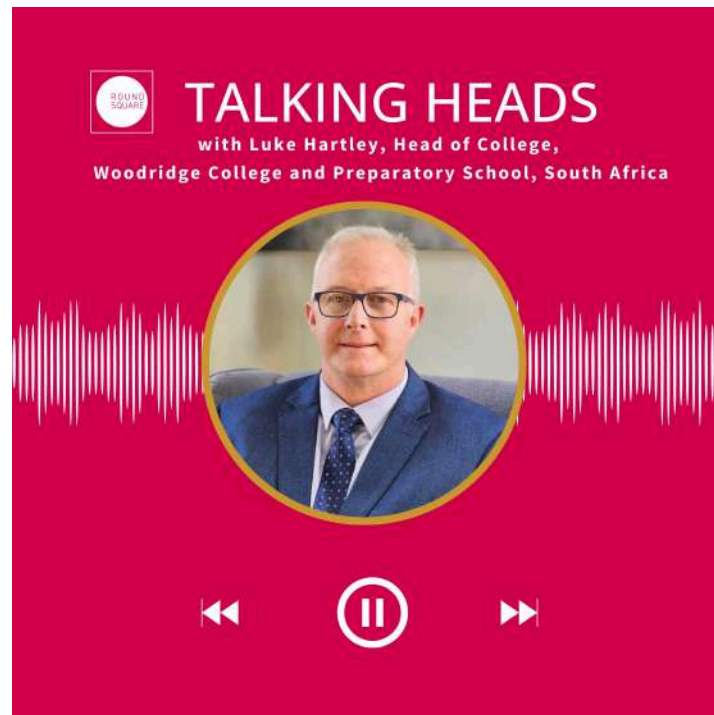

We are excited to share with you our prototype plush toys of the Round Square Heroes of Discovery.

We are now inviting pre-orders, with the aim of taking 150 orders, at which point we could go into production at a price of £200 per set of 12 dolls including postage and packing (they cannot be sold separately). We need to reach 150 orders to go ahead (if we don't reach the required 150, all orders will be cancelled before payment is taken), so please commit to buying one or more sets if you can (those of you using the RS Heroes) so that everyone can benefit from the opportunity to bulk order.

The RS Heroes Dolls will be manufactured to British Toy Safety Standards, and the company we are working with follows ethical employment practices and eco-friendly manufacturing processes. The RS Heroes are currently sitting their final toy safety exams, ready for production.

If you would like to order one or more sets, please do so now using THIS [ORDER FORM](#).

Your order will be held on our system until we reach the magic 150 orders, and we will then notify you and invoice your school for payment via BACS transfer or card payment using Stripe.

## Talking Heads: Luke Hartley, Woodridge College and Prep School, South Africa

We are happy to share that the that the Round Square Talking Heads Podcast is returning on International Podcast Day. This series shares the voices, experiences, and insights of Heads of Round Square Schools from across the network.

Our first episode of this series features **Luke Hartley, Head of College at Woodridge College & Preparatory School**, who reflects on the power of Adventure. He explains how adventure is not just about stepping outside the classroom, but about building personal growth and character, preparing future leaders, and giving young people the space to express themselves and become adults of significance.

**Submit your Letters of Commitment for Round Square Conferences in 2026**

student events, following the release of the **2026 Round Square Conference Calendar** in June.

This is with a huge thank you to our host schools, who have gone the extra mile to get the details together as early as possible. All 2026 RS Conferences through to (but not including) the RSIC2026 opened for LoCs last week. The RSIC will, as usual, be launched at the closing ceremony of this year's RSIC, and open for LoCs towards the end of the year.

Please note that **Letters of Commitment will be accepted, and places filled, on a first-come, first-served basis**, and some conferences may close early once capacity is reached.

At this point in time, Landheim Ammersee and Ballarat Grammar have stopped accepting LoCs as these conferences are now full to capacity, though you can sign up to their waiting list in case additional places become available. In this case, schools on the waiting list will be contacted in the order they registered. All other conferences still have places available.

## Thank You to our recent RS Zoom Postcard and History Labs Hosts

### St Philip's College, Australia - Theme: What makes your school special or unique?

The session offered a wonderful space for students to reflect on what they love most about their schools and to celebrate what makes each of them unique. Amelie from Radford College, Australia, shared her pride in the school's strong commitment to service learning, with students coming together weekly to explore ways of giving back to the community. Amy spoke of the kindness and inclusivity she feels at Radford College, where everyone has a place no matter their background.

Students from The Emerald Heights International School in India described their breathtaking 100-acre campus with its medieval-inspired architecture, gardens, and spaces for everything from skating to tennis. The British School, New Delhi, India, highlighted its vibrant clubs and extracurriculars that inspire curiosity and growth beyond the classroom.

Meanwhile, students from Thomas More College in South Africa reflected on the importance of values, respect, and the warmth of a close-knit community, where small

Thank you to baraza leaders Hugo, Isabella, Alice, Angus, Esther, and Frances.

### **Woodridge College and Preparatory School, South Africa – Theme: Is reading books still important or is it a thing of the past?**

In our recent postcard, students from Germany, India, Pakistan, South Africa and UAE explored the question: Is reading books still important or is it a thing of the past? The discussion revealed that, while technology has changed the way we read, books—whether digital or printed—remain as important as ever.

After sharing ideas and perspectives in breakout rooms, students shared in the main room four powerful takeaways:

- Parents matter! Encouragement at home makes a huge difference in developing a love for reading.
- Reading is a superpower. It fuels creativity, imagination, and critical thinking.
- Stay tuned in: If you don't read, you miss out on what's happening in the world.
- Think big: A World Readathon could bring people together globally to celebrate and share the joy of reading.

The session ended with a clear message: books are not disappearing—they're evolving. And no matter the format, reading remains one of the most powerful tools for growth, knowledge, and connection.

Thank you to student leaders India, Regard, Bavu, Avia, Zara, and Jacob.

### **GEMS New Millennium School, UAE – Theme: The Algorithm Economy. Who holds the power?**

60 students from schools in India, UAE, Pakistan, and Canada joined the postcard to discuss the topic of the algorithm economy. The theme was focused on how algorithms are changing cultures and daily routines in big and small ways.

profits from the algorithm economy. Other groups discussed the digital divide, and how algorithms can make inequalities worse. Ideas were also shared about governance and regulation, with many agreeing that policies are needed to ensure fairness. Hearing perspectives from four countries showed how different societies view trust and responsibility in the digital space.

When asked what the main takeaway was for her as a leader, student Nandana Sajeev reflected: "We loved seeing the enthusiasm with which participants shared their ideas. The diversity of perspectives made the discussions rich and engaging. We are especially proud of how inclusive and respectful the conversations were in each baraza room".

Thank you to student leaders Nandana, Saiarjun, Taraswin, Rayna, Zubi, Josh, Barakah, Nitin, Ryan, and Annika.

### **Cadet College, Pakistan, and Sunbeam Schools Lahartara, India - Theme: Civil rights movements and revolutions.**

Thank you to Cadet College, Pakistan, and Sunbeam Schools Lahartara, India for hosting last weeks History Labs on Civil rights movements and revolutions.

In last week's sessions, over 100 students from 13 schools looked at different movements for rights and freedom from around the world. They heard about the conditions that lead people to rise up, the strategies they used, and the outcomes they achieved.

The discussions highlighted that progress can sometime take a long time or as easily be sparked by a pivotal moment. Either way, the impact of these movements was lasting and profound.

The delegates also explored the role that GPT's play in shaping peoples perspectives and how we should be aware of the potential risks and gains when using AI as a learning tool.

## **Say Hello for World Hello Day - 21 November**

students saying *hello* from wherever you are in the world and in whichever language you prefer. We want to showcase the breadth of countries and languages covered by schools in Round Square.

### How to get involved:

- Record your students saying “hello” - how you approach it, and how many students take part, is up to you. Be creative!
- Upload the video using the form below

### Here are some brief guidelines from our editors to help your clips look their best:

- Please hold the phone or camera **sideways (landscape)**
- Keep clips **short—5 to 10 seconds** (you can send more than one!)
- Choose a location that’s **bright, quiet, and tidy** (avoid noisy or distracting backgrounds)
- Rest the phone or camera on a **solid surface, stand, or tripod** for stability
